Greetings dear Parents,

“Enjoy the little things, for one day you may look back and realize they were the big things” –  
Robert Brault.

As we come to the end of this academic year, we thank the Almighty for his countless showers of blessings. The past two years have been immensely difficult for all of us throughout the world. The pandemic has changed a lot of things in our lives. We have changed our way of living, travelling, work, leisure, study and almost everything else. But it has not stopped us from living. We have heard stories of misery and sorrow as well as stories of compassion, kindness and gratitude.

Swargarani School and PU College completes successful, glorious 25 years this year. Despite the pandemic, we have successfully been able to carry out all our events, albeit in the Virtual Mode and have had a fruitful year with a series of accomplishments and laurels.

We take this opportunity to thank each one of you for your unstinting support. We equip ourselves to the new Academic Year 2022 - 2023 with the promise of academic brilliance. Here are a few guidelines for you to note.
