ABOUT US

Established in the year 1997, Swargarani School & P.U College is owned and run by the Sisters of Visitation Congregation of the Archdiocese of Kottayam, Kerala. The school follows the philosophy of selfless service. We motivate and prepare the students by laying a strong foundation to lead a balanced life by strengthening their positive approach to life, intellectual competence, value consciousness and social commitment.

Swargarani School and PU College gives itself abundantly and plays a key role to make its students' dreams come true. School embodies the very essence of its motto "Lead Kindly Light." Be it the learning it imparts, the opportunity it provides or the sterling values it encourages, Swargarani strives to provide a life of enriched experience to the students.

Synonymous with brilliant academic results, Swargarani is constantly evolving and work upon the conviction that a new vision is vital for its young members. It aims at creating an atmosphere of friendliness and intellectual curiosity, thus nurturing a generation of progressive young men and women, prepared to embrace changes in the future as an opportunity rather than a treat.

The outstanding performance of the school is evident from the innumerable laurels achieved in various competitions. The spirit of participation, discovering inborn talents, the pleasure of winning, the lessons of failure are all a part of the personal growth needed for the fuller development of the young mind. Swargarani is ranked among the top few schools in Bangalore on the basis of its exemplary results. Our unrelenting pursuance for excellence is reflected in the consistent commendable performance of our students every year.

Mission

We believe in giving young minds the encouragement, freedom, facilities and resources to dream big and to believe in their dreams. Swargarani equips the students with advanced knowledge and skills in their chosen vocation and provide value based education and opportunities to students to help them face challenges in life. Students of Swargarani will be challenged to venture into new ways to push the limits of learning to the farthest possible extent in the new millennium. Students will create new possibilities, new knowledge and demonstrate new ways of doing things.

Vision

Swargarani's aim is to educate young men and women, to mould them into matured persons who are proud to be Indians, individuals who are kind, compassionate along with human excellence and who also aim for academic excellence. Hence a balance of academics as well as co-curricular activities is duly emphasized.

Twinkle twinkle little star.....

Principal's Message

“Education is the ability to meet life’s situations”.
Dr. John G Hibber

The core purpose of education is to provide children with a learning environment which brings out the best in them. We, at Swargarani School believe that every child is endowed with a unique set of attributes and abilities, which need to be nurtured so that they blossom. We are imparting them value based education following the mission and vision of our founders.

Our caring and committed teachers are our pillars of strength. They teach our children not with their minds but with their hearts. They make learning enjoyable, rewarding and imbibe in children the importance of sound values.

A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. Teamwork is the hallmark of Swargaranians. I am very sure, through collaborative effort; we can achieve more to benefit our students who are the future leaders of tomorrow.

Sr. Tania SVM,
Principal

Manager's Message

It is my belief that educating the mind without educating the heart is no education at all. So every child should be encouraged to perform to the fullest ability and due importance should be given to learning in areas beyond academics. An institution should be a living place that shapes children's lives and builds their character. Our school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. The school provides an amalgamation of scholastic and co-scholastic activities helping every individual become a self-reliant and independent citizen.

Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations. To achieve these objectives, we need to work jointly with the parents of our students to create a climate for open exchange of views and experiences, supporting each other in the quest for quality for the overall development of students.

Sr. Immaculate SVM,
Manager

A galaxy of distinguished faculty

At Swargarani we have a long array of academicians and teachers in every department with high expertise and quality experience and of course, a passion for teaching.

Quality Time, Quality Interactions

Academics

The school is affiliated to ICSE and it strives to maintain academic excellence so that in today's competitive world the students may be able to proceed to institutions of higher learning of their choice in India and abroad. The present course of studies extends from kindergarten to Pre University College. The medium of instruction is English. Students are prepared for the ICSE and PUC examinations.

From its inception, the school has been maintaining high academic excellence. We feel proud that the standard of education and knowledge in school has reached the zenith and continues to find new zeniths. Equal responsibility on teachers, students and parents make the achievement of 100% result a reality. We are extremely proud to state that right from our beginning we have achieved 100% results in the ICSE Board Examinations.

Admission

All students have to appear for an entrance exam in English, Mathematics and Science to qualify for admission. As a matter of policy we do not admit students in Class X and PUC II. The entrance test will be held in between March and May each year on a scheduled date. Every year the admission will be confirmed only after assessing the performance of child in a written test and personal interview.

Campus

Swargarani School is located at the foothills of a scenic, idyllic sylvan surroundings.

The serene atmosphere is conducive to students. Away from the hustle and bustle of the city, students enjoy a peaceful environment with a big playground, scenic gardens and a beautiful church. Though far from the maddening crowd of the metropolitan city, the locale enjoys all the amenities and comforts of urban living be it easy access to the bus stops, metro station or to nearby residential areas.

World class infrastructure and Green campus

Green Campus

Swargarani school is very environment conscious and is always at the forefront taking up initiatives to create awareness about saving the environment and reducing the carbon footprint. Actions speak louder than words and we at Swargarani practice it. We have set up an STP- Sewage Treatment Plant to recycle and reuse the waste water generated in the campus. The STP water is used in watering the gardens. Solar panels have been set up on the roofs to reduce the usage of electricity. Rainwater Harvesting is also done to save water resources. The corridors in the school are lined with potted plants which provide oxygen and a soothing sight to eyes.

Infrastructure

Buildings & Classrooms : The school buildings are built suited to utmost student comfort. The spacious, well ventilated classrooms, huge staircases for easy movement of students make it an ideal place conducive for studying or learning. The non-teaching staff works tirelessly for keeping the campus spick and span.

IT, Living the future in the present.

The school has two huge state of the art computer labs. Each student gets two classes each week for hands on experience. The interest is caught on from as early as Class I and there is a structured ICSE pattern that is followed up to Class 10. To make learning more comprehensive and interesting for the students, various audio-visual methods such as LCD projectors, Audio/Video CD-ROMs on education and leisure form an integral part of classroom teaching. The school uses professional multimedia software to teach mathematics and science. We have integrated digital classrooms (Smart Classes) in our school to enhance the process of learning.

World class infrastructure and Green campus

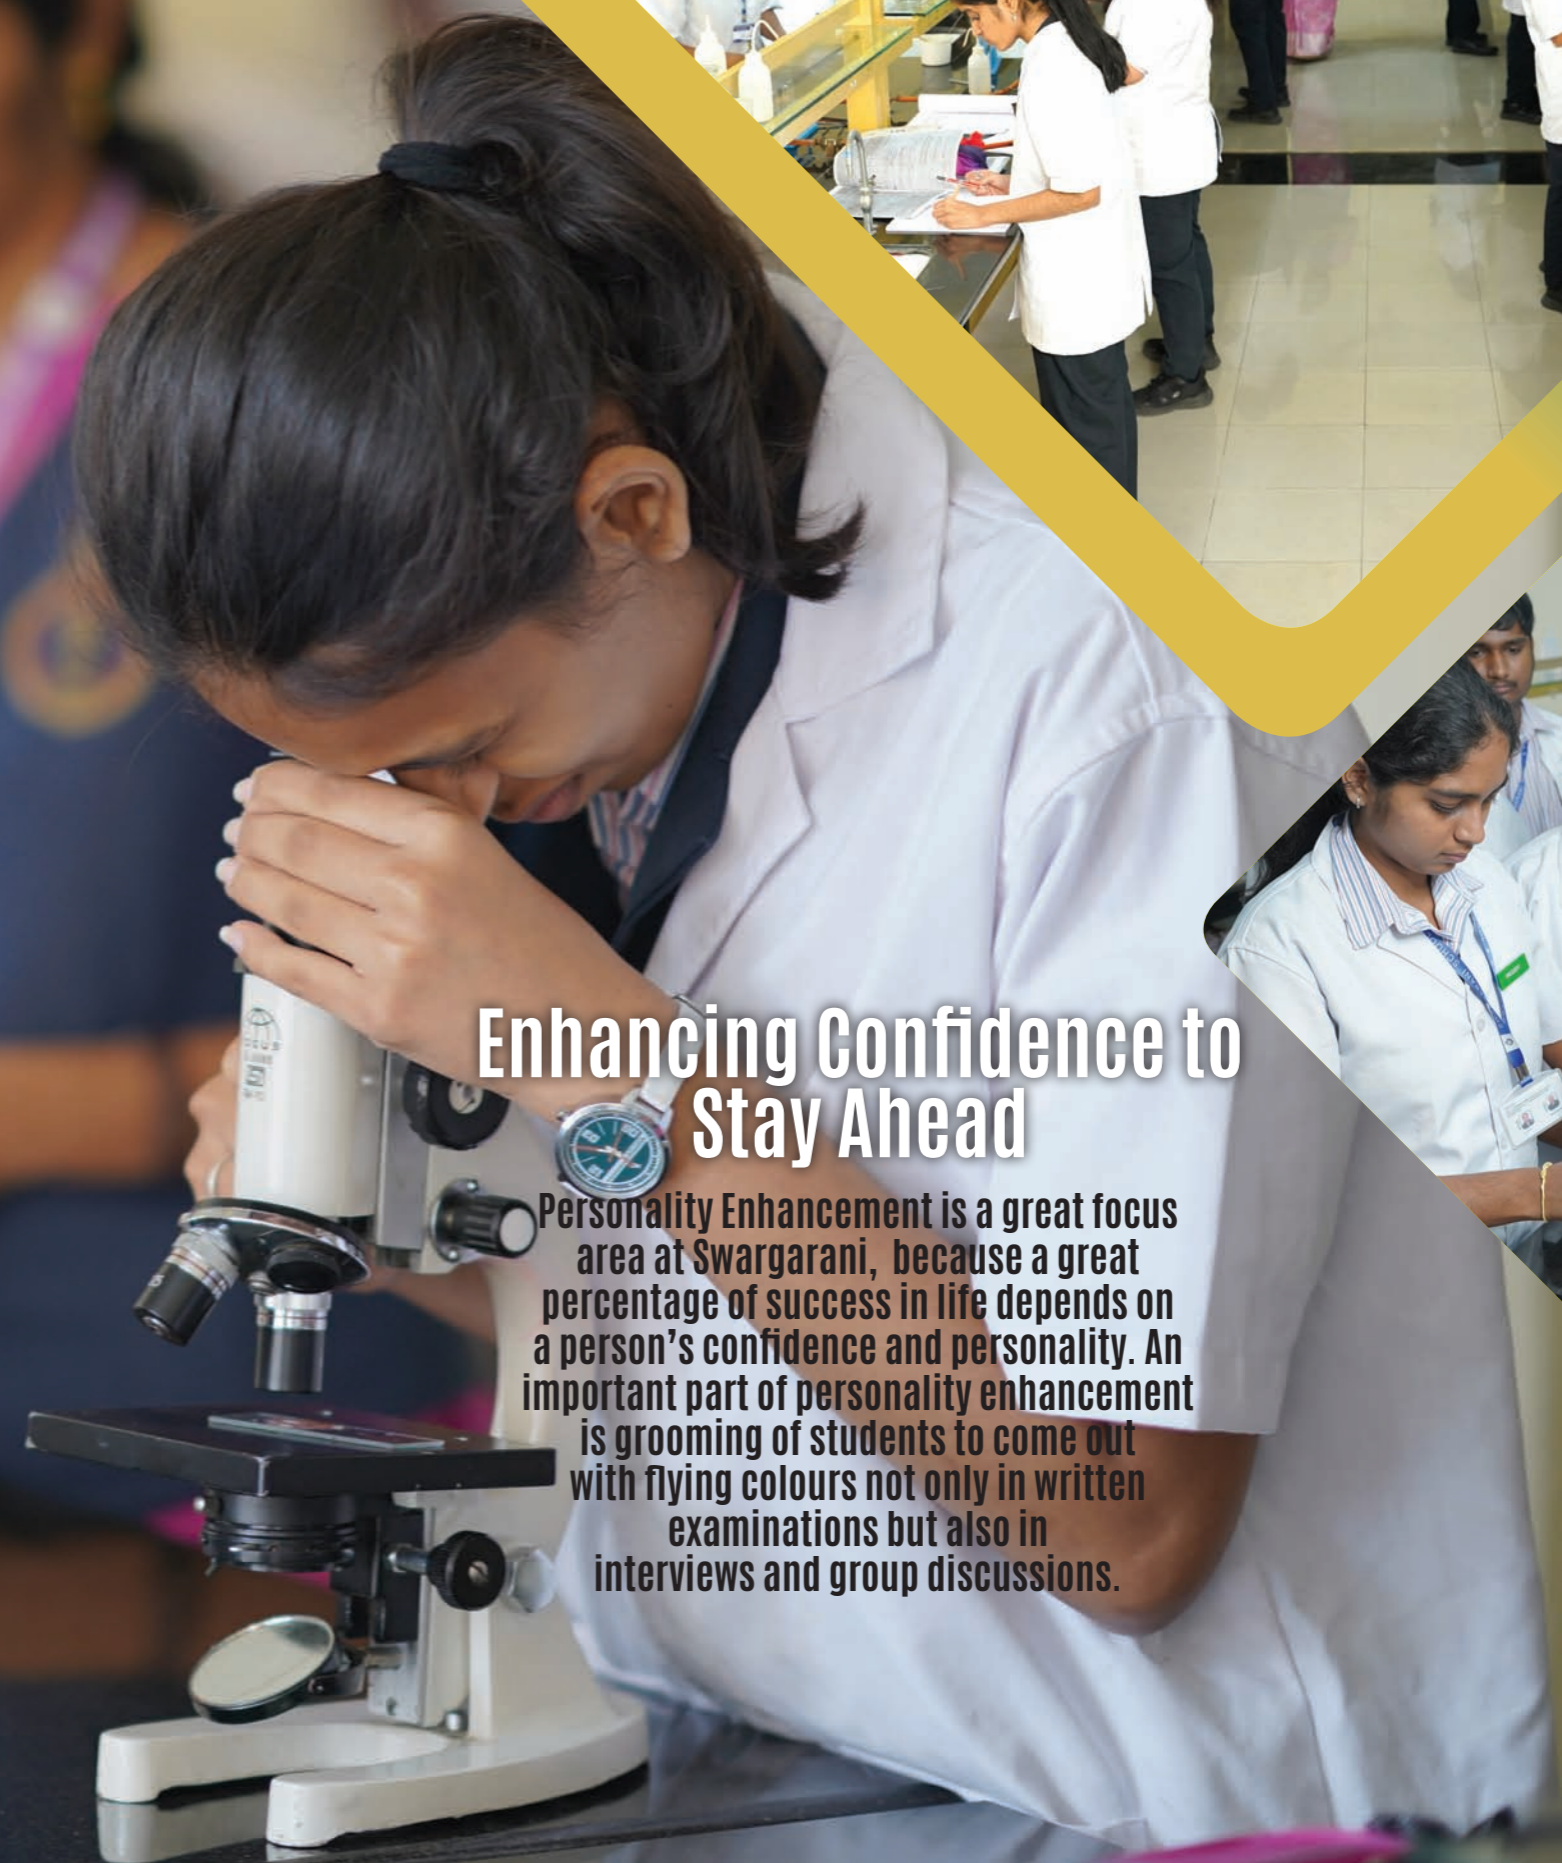

Infrastructure facilities at Swargarani School provide the right ambience to stimulate interactive learning. A green and serene campus in the midst of the bustling city provides an oasis of learning and stimulation to the young minds.

Labs where science is taught and ideas are created

As goes the saying, "seeing is believing", we provide a scientifically modern, well equipped spacious Physics, Chemistry, Biology and Electronics labs where students get hands on training.

Enhancing Confidence to Stay Ahead

Personality Enhancement is a great focus area at Swargarani, because a great percentage of success in life depends on a person's confidence and personality. An important part of personality enhancement is grooming of students to come out with flying colours not only in written examinations but also in interviews and group discussions.

Co-curricular Activities

In order to develop team spirit, co-operation and friendly rivalry, a healthy competition is created in the school by dividing the students into four houses - Sathya, Shanthi, Jyothi and Spoorthy. All activities including sports, games and other curricular and co-curricular activities are conducted on an inter-house basis and at the end of the year the position of the houses, based on the aggregate points secured in the competitions are announced. We believe that creativity in human beings is dormant. The potential in every child must be realized and nurtured and it is the duty of the school to do so. We offer co-curricular activities like Dance, Instrumental Music (Guitar, Keyboard), Karate, Yoga, Theatre, Abacus, Robotics, Yuvipec and Art and Craft (Including rangoli, pot painting, drawing etc.) and also Scouts and Guides Training.

Library

The school facilitates students with an ardent library that has ample books ranging from anything to everything for academic as well as leisure reading. Books range from titles fit for Preschoolers to Teens. Internationally authored books, comics on Indian and world culture, mythology and history are most popular with children. Every class has a library period each week with the library having lots of room for studying with focus. Teachers and students also use the library for reference for project works, maps and preparing other teaching aids. The library is constantly updated with the latest arrivals. Several educational CD's are also finding place of pride along with books in the school library. Students and teachers are also permitted to take the books home for extended reading.

**A Library is
Infinity under
a Roof**

**Creating
Future
Leaders**

Transportation Facilities

The School provides pick up and drop services to students who opt for transport facility. The school has a fleet of buses plying in and around the area to facilitate commutation of students. The drivers and conductors of these buses ensure students arrive at school well in time and always aim at the safety of students. The buses are also equipped with GPS trackers and cameras.

Success isn't awarded, it is earned with blood, sweat and an occasional tear

Sports

A healthy and competitive spirit in various sports and games form an important part of our school curriculum. It aims at giving the students alertness of mind, sense of co-ordination, importance of team work and a disciplined character. The sports facilities include professional coaching in Volleyball, Basketball, Football, Kho-Kho, Kabbadi, Table Tennis and carrom. Qualified and trained staffs are in-charge of games and physical education. Special arrangements are made to appoint coaches from outside occasionally.

Events and Celebrations

The school organizes an inter-school as well as an intra-school event every year. The school conducts "Talent's Day", a competition aimed at recognizing students' talents. The competition includes a host of activities like solo songs, dances-folk and classical, mono act etc. Inter School Competitions, Language skills for secondary school students and quiz competitions that include a test of numbers and mind games, Intra-school events such as the Sports Day, with its drills and March-Past, the Annual Day, with dramas, songs, dances, orchestra by all students of the school are a treat to everybody. A Science Fair is also organized once in a couple of years for students to ignite their scientific temperament where they conduct various experiments and make models. In addition, each year the school organises a Graduation Day Program to bid adieu to the graduating PUC II students.

Music Makes Everything Better

Charity

The School also encourages students to become global citizen and leaves no stone unturned in social service. Service towards humanity plays a significant role in character building at Swargarani. In the world of ever changing ideas and ethics, we aim at striking a healthy balance between both the traditional and progressive concepts. Swargarani School has adopted a nearby Government School right from it's inception and our students contribute largely to charity work. Students donate clothes, books, toys and money. School authorities cherish the memories of the countless smiles seen during the Christmas festivities that we share with the underprivileged children. Students also make visits to institutions like Orphanages, Old age homes, Blind schools etc. to offer voluntary service as a part of SUPW (Socially Useful Productive Work.) They contribute largely to various relief organizations.

School Band

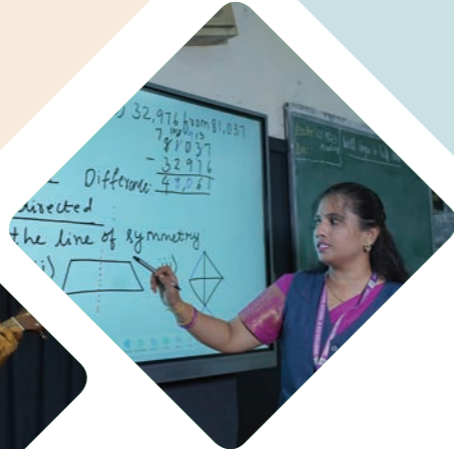

At major school events, the band students of Swargarani play phenomenal tunes to the commands of their bandmaster. Well dressed in their band uniform, they perform incredibly on all occasions to the tunes of school songs, prayers and the anthems. At the conclusion of the band's enthralling performance entire audience will be left spell bound.

**Enhancing
Confidence to
Stay Ahead**

Inter-School Competitions & Scholarship Exams

The school encourages an array of competitive exams, Science and Math Olympiads, KISA exams, SpellBee, DCL exams etc. that motivate children to strengthen their knowledge in Mental ability, logical reasoning, English language and computer proficiency.

Not only the students, the dynamic teachers of our institution too participate in various activities like Quiz, Sports and Debate competitions held across the city. The teachers actively participate in honing the talents of students and help to feel empowered.

Counselling

Swargarani School not only focuses on intellectual and physical growth but also on mental growth. A full time Counsellor is available in the campus to help students and parents to deal with stress. Eminent Doctors and Counsellors conduct seminars and workshops to create awareness about physical and mental health among students.

Swargarani Interact Club

A Recycling Corner has been set up in the premises so that, the students and teachers can bring all sorts of waste paper, books, magazines, cardboard etc., which is collected and sent to the Recycling Centre at RR Nagar to avoid throwing the waste paper in the bins. This will help to save trees. The Interact Club also undertakes social service activities such as 'A fistful of Rice' to provide grains to the underprivileged. The school has installed a compost pit for collecting dry leaves and making compost. They carry out awareness programs for cleanliness, helping the needy and saving the environment.

Kindergarten

At Swargarani Kindergarten personal care is ensured for each and every child. The all round development of each child is taken care through formal and informal learning which includes indoor and outdoor activities like singing, dancing, recitation, sports and games. Well-equipped spacious classrooms makes their lives more interesting with fun in the kindergarten. Events like Teachers day, Mother's day, Talents day, Sports day, Fruit Salad day, Colours day, Father's day, Grandparent's day, Friendship day etc. give opportunities to all children for participation to display their latest talents and potential.

The Kindergarten building has a beautiful jungle theme park for the tiny tots, with artificial trees which look so real, sounds of birds chirping, roars, grunts and sounds of other animals. There are slides coming out of dinosaurs, a fish, a castle, trees and a magician's mouth. The entire floor is covered with a soft green carpet representing the jungle floor. There is also a special place with swings, see-saws, merry-go-rounds and a whole lot of toys to play.

Displaying great leadership and teamwork skills, Swargaranians leave a lasting impression wherever they go.

Convent

The School is a result of the untiring efforts of its founders run by the Sisters of the Visitation Convent. The school follows a philosophy of selfless service. The Sisters of the Convent give themselves unsparingly for the above cause and there by play a key role in making dreams come true.

A galaxy of distinguished faculty

Staff/Faculty

Swargarani School and College has a team of well-qualified, experienced and dedicated staff. The teachers are friendly and at the same time make sure the children are disciplined and impart moral values to them. They try to give maximum individual attention so that the student can balance both academics and curricular activities. Remedial classes are taken for the academically weak students to improve their performance to help them cope with the syllabus. This has made Swargarani a heritage of excellence.
